## BLUES/ROOTS MUSIC WITH A NEW ORLEANS FLAVOR

Doug Krause has been a professional musician and composer for several decades now. His characteristic writing and performing style comes from years spent moving between the pop/rock, blues, jazz, and country genres. As a youngster in Kansas, his dad introduced him to boogie-woogie records from the 1940s. As time went on, he began to notice the New Orleans piano sound and immersed himself in the study of New Orleans piano history. In 2019, Doug was inducted into the Kansas Music Hall of Fame for his work with the band, Fyre. He was honored in 2024 with an induction into the Colorado Country Music Hall of Fame. Doug's influences include Dr. John, The Band, Little Feat, Bruce Hornsby, and Leon Russell and the great NOLA piano tradition.
